

The Toledo Roadrunners Club is Northwest Ohio's largest and most active running organization, with a membership of almost 1500 runners who are located in the Greater Toledo area, Southeastern Michigan, and Indiana.

We were founded in 1976 and we take on all comers, whether you are a jogger, a racer, a walker, or simply someone who's interested in getting there. Our website, www.toledoroadrunners.org, has a calendar that lists most races of marathon length or shorter within Northwestern Ohio along with some in Southeastern Michigan. We also have a very active Facebook page which you do not have to be a member to join that is full of conversation on training, race reviews, and injury diagnosis (since runners don't like doctors).

The Toledo Roadrunners host 24 TRRC club races and supports over 100 local nonprofits with their events throughout the year. Through our website calendar, you can easily find an event almost every weekend. We publish a hard copy newsletter, **Footprints**, 11 times a year with stories, photos and race results.

We have several long running events from the early days of the club's founding including Churchill's Half Marathon (50th), Mercy Health Glass City Marathon (42nd), and the Women's Distance Festival (40).
