OATCCC Mission

The Ohio Association of Track and Cross Country Coaches Association has three key purposes.

1) To promote track & field, and cross country in all the junior and senior high schools of Ohio; and also extend support to those programs in the state's colleges and universities.

2) To cooperate with and assist the OHSAA and Ohio's colleges and universities in all the matters pertaining to maintenance, promotion, and improvement of track & field, and cross country.

3) To Recognize and award outstanding achievement and/or contribution by athletes, coaches, officials, and supporters.

Clinic Schedule will be posted on - <http://www.oatccc.com/clinics/track-and-field-clinic.aspx>
